
Rosie Bloom Scholarship Application

Rosie Bloom was a charter member of the local Audubon Society chapter. She exemplified the qualities of the Audubon ideal--love for nature and the willingness to work to preserve it. Each year Audubon Miami Valley offers the Rosie Bloom Memorial Scholarship to local educators interested in furthering conservation and environmental education. The award is used for camp session fees at one of the Audubon camps, currently located in Maine and Minnesota. Transportation, longer stays, and additional fees are the responsibility of the participant.
